

MARUHABAA! Welcome to the World of fizzy, vibrant and sensational flavours of our signature cocktails selection.

Bartenders like to say that we drink with our eyes first, and that's certainly true. The best cocktails have a way of holding the gaze before they begin the rapid journey to the mouth, where smell and taste quickly take over.

Often, that's the end of the road for the senses. But now our talented bartenders are tinkering with the way a drink feels...

Our menu was created for you to sip, taste, enjoy and repeat.

The Team will be more than happy to assist you if there's something else you would like to explore and discover in the World of Cocktails.
